### Introduction

Thank you for choosing Morley Aesthetics. The health and wellbeing of our patients is at the heart of what we do and our priority is providing you with the highest quality personalised care and treatment.

### 1. General Terms and Conditions For All Patients

- 1.1 These Terms and Conditions form the basis of the Agreement between the patient (You/Your) and Morley Aesthetics (Us/Our).
- 1.2 Please read these Terms and our Privacy Policy carefully and take the opportunity to ask Us questions.
- 1.3 By registering with Us, You agree to be bound by these Terms.

### 2. Appointments, Deposits and Cancellations

- 2.1 When You book an appointment, we may require You to pay a deposit of between £50 and £200 depending on the treatment booked, all of which we will be entitled to keep as set out in sub-clause 2.5 below if You later cancel the appointment without giving Us prior notice of at least 72 hours;
- 2.2 We will not reserve or guarantee any particular date and/or time which You request for any consultation or treatment unless You book an appointment for that time/date and pay the deposit as requested;
- 2.3 If You know You are going to be late for an appointment, You should contact Us to tell Us. If You arrive later than 15 minutes after an appointment time, we will try to provide the service (consultation and /or treatment) You have booked, but if we decide that we cannot, the appointment will be treated as cancelled without notice by You and, if we then decide to make a charge for that appointment cancelled without notice, sub-clause 2.5 will apply;
- 2.4 You may cancel an appointment without charge if You give Us at least 72 hours prior notice of the cancellation, and if You do so we will refund You the deposit You paid in advance;
- 2.5 If You do not give Us at least 72 hours prior notice of cancellation of an appointment, we will be entitled to charge You the deposit fee;
- 2.6 If due to exceptional circumstances including, but not limited to, illness, accidents and bereavement, You cancel an appointment without giving Us at least 72 hours prior notice, we will consider the circumstances and at our discretion decide whether to waive any charge for late cancellation that we are entitled to make under sub-clause 2.3 and 2.5;
- 2.7 We may cancel an appointment booked by You at any time before the time and date of that appointment in the following circumstances:
  - 2.7.1 The required practitioner and/or materials necessary for the provision of the consultation or treatment are not available; or
  - 2.7.2 There is an event outside of our reasonable control;

- If we cancel an appointment in such circumstances, we will refund You in full any deposit or other advance payment You have made to Us for that appointment. Refunds will not however be given for any other expenses You may incur such as train tickets, flights, accommodation or loss of earnings;
- 2.8 We will use all reasonable endeavours to start the consultation or treatment at the appointment time You have booked, but the start may be delayed by the overrun of a previous appointment or by other circumstances. Our Doctor will take the amount of time necessary to provide comprehensive care and attention to every single patient and sometimes in complex or complicated cases this can result in clinic delays. If a delay to the start is at least 30 minutes, or, if at any time before or after You arrive for an appointment we notify You that there will be a delay of at least that time, You may cancel the appointment and we will refund You in full any deposit or advance payment that You have made to Us for that appointment;

## **9. Mobile Phones**

We respectfully ask that when attending the clinic all mobile phones are switched off or silenced.

## **10. Refunds**

- 10.1 Every effort will be made to ensure You have the best possible outcome but as with all medical procedures there can be a spectrum of results. As individuals differ in their responses to, and the outcome of, the treatment, no clinical or financial guarantees can be given.
- 10.2 Treatment fees cannot be refunded in the case of a sub-optimal result (including no result), or complications, as all fees paid are related entirely to the services provided i.e. professional time, expertise, product costs and other costs incurred in providing the treatment, and those costs are incurred irrespectively of the results achieved. Additional costs may occur should complications arise from the treatment and further treatment is required.

## **11. Product Refunds**

- 11.1 Products purchased in the clinic or over the phone are non-refundable unless they are faulty;
- 11.2 Faulty products will need to be returned to the clinic for an assessment before a refund can be processed.

## **12. Risk of Clinical Complications**

- 12.1 The health and safety of our patients is at the heart of all we do and while we will do our very best to ensure a satisfactory outcome, no clinical procedure is entirely risk-free and the results of any particular procedure cannot be guaranteed;
- 12.2 Although rare, some procedures have well documented complications and these together with Your personal risk will be discussed during Your consultation and documented in the patient information leaflet and consent form;
- 12.3 If You experience a complication and need to see Dr Morley or Dr Malpas urgently You may have to travel to that clinic where Dr Morley or Dr Malpas is working on that day;
- 12.4 Many complications can be managed simply and conservatively and we will, of course, treat these to the best of our abilities and knowledge. However, in the unlikely event of a complication being more serious and You needing further treatment outside of our expertise, arrangements will be made for You to be treated in the NHS, or if You wish, privately at Your own cost. Please be advised that private medical insurance may not cover complications arising from aesthetic treatments.
